Pete, Dan, and Matt,

Can we please have a brief call today at 2:30 pm to discuss regulatory VI guidance with regard to the Aerojet Area 40 site? We should all be on the same page prior to the Aerojet conference call tomorrow morning at 10:30, if it will be happening. Matt can't make the call tomorrow and I don't feel we're prepared to have it—I'd like Chris to reschedule it and have asked a few times.

Please use the following call in information:
Conference Bridge Call in number: **415-947-8200**
Conference Number: **4159729251**
Participant Access Code: **460580**

Once you dial into the main conference bridge number **415-947-8200**, you will need to enter the 10 digit conference number. At the next prompt, participants will press 2 and then enter the participant access code followed by the # sign.

If today from 2:30-3:00 pm doesn't work for you, Dan and Pete, will tomorrow morning work at 9 am?

Thank you,
Lynn
